13.2.1 General

You can authorise a person to operate your accounts. This person is your 'authorised signatory'. Your authorised signatory will be entitled to operate your accounts and sign transaction documents e.g., withdrawals, as if that person were you. Your authorised signatory is entitled to alter or close your accounts or to access related products and services.

13.2.2 Appointing an Authorised Signatory

For you to appoint an authorised signatory:

- both you and the authorised signatory need to read the general and the specific terms and conditions for the relevant product or service,
- you need to complete the application form,
- both you and the authorised signatory need to read and sign the declaration on the application form,
- you need to give the completed and signed application form to us,
- you need to provide us with your authorised signatory's identification documents to satisfy our requirements, and
- you need to complete and lodge a Change of Authorised Signatories Form with us.

Your account(s) will be debited with all transactions made on your account by a person authorised to operate on your account(s). You are liable to pay for (or to repay) any credit provided on the account as a result of these transactions. Accordingly, you are responsible for all these transactions as if you had made them yourself.

13.2.3 Terminating the appointment of your authorised signatory

An authority to operate will remain in place until we receive written notice of cancellation or written notice of death of the person granting the authority and that written notice has been processed by us or if instructed by court order or similar. Notice of cancellation must be signed by all surviving investors. We may require a new authority to operate before we allow further operation on the account.

If there is a dispute notified to us about an authority to operate or the owner of an account, we may refuse to allow operation of the account until all parties concerned have signed the necessary

authority. We are not liable for any loss or damage caused by any delay in processing a cancellation of an authority to operate.

13.3 JOINT ACCOUNTS

13.3.1 General

If you open a joint account:

- the credit balance of a joint account is held jointly by all investors,
- each investor has the right to all of the balance, jointly with the other investors,
- a joint investor may only make a withdrawal on the terms of any authority to operate on the account,
- if there is any dispute between joint investors, we may decide to only permit operation on the account when all parties have signed the necessary authority to operate,
- and if a joint investor dies, the remaining investor holds the credit balance and if more than one, those remaining investors hold the credit balance jointly,
- each joint investor is liable for the whole of any debit balance on the account, and
- we can legally recover from all or any investor(s) any amount owing on the account.

13.3.2 Operational Status of Joint Accounts

When you open your joint account, you choose the operational status for that account, for example:

- only one person is required to sign our transaction documents, or
- if there are more than two joint investors, a minimum number of persons required to sign our transaction documents, or
- all joint investors are required to sign our transaction documents.

13.4 CHANGES TO YOUR ACCOUNT DETAILS

For any change you will need to complete the change of details form. On receipt of the completed form, we will check our records and clarify the current operational status of any joint account and amend the account(s) accordingly. A form is required for each person or business, i.e., a joint investment will require two forms if both parties have amendments to be advised.

13.5 METHODS OF LODGING FUNDS INTO AN ACCOUNT

You may invest funds with us to accounts (other than a Funeral Investment Account or Term Investment) in these ways:

- by Internet Banking transfer from an external financial institution through BFSOnline to your account (conditions apply – see our [Non-Cash Payment Products PDS](#) for further details),
- by a payment service/direct credit,
- by post to the postal address in Section 4,
- by using a bank deposit book provided by us for lodgement through an external bank, or
- over the counter at one of our State Offices.

13.5.1 Internet Banking transfer from an External Financial Institution through BFSOnline to your account

We normally issue you with an electronic receipt for the transaction. We advise you that special Terms and Conditions apply to your internet account access through BFSOnline, so we recommend

you visit our website www.bfs.org.au and become familiar with those Terms and Conditions and our Internet account access procedures through BFSOnline.

You can only debit one pre-nominated account with an External Financial Institution. To nominate this account you need to complete the "Application for BFSOnline Access and Direct Debit Request" that is available on our website www.bfs.org.au.

Refer to our [Non-Cash Payment Products PDS](#) for further information including the terms and conditions of this facility.

13.5.2 Payment Service/Direct Credit

This is an arrangement with a third party, who directs money into your account with us by electronic transfer. We do not have control over that lodgement, and we do not provide a receipt when the lodgement has been made by the direct credit supplier.

The first document you will receive from us acknowledging your investment will be the next statement we issue to you after lodgement. We recommend that you check your account statement to confirm the third party has made the lodgement to your account when anticipated by you. If the investment has not been made, you will need to contact the third party.

13.5.3 Post

We recommend that you use the option to send us a funds lodgement by post as a last resort, where the other options are not available to you.

We are only responsible for the funds lodgement when it has been received by us. We further recommend the post option chosen by you should be one where Australia Post can confirm we have received your letter and funds lodgement.

We recommend that you should check with us after putting the funds lodgement in the post to confirm that we have received and processed your investment.

You must never send cash through the post, and only send crossed cheques/money orders of small amounts in the post to us.

If you do not have one of our Funds Lodgement forms, then we will need, in addition to your cheque/money order, a letter in clear and precise terms instructing us into which account your investment is to be made. Without the Funds Lodgement form or letter, we may not be able to process your investment.

13.5.4 Using a deposit book provided by us for lodgement through an external bank

At your request, we may issue you with a Indue Bank@Post deposit book printed with a link number which directs the payment to your BFS account overnight. Deposits at any Australia Post branch can only be made using a deposit form from the encoded Indue Bank@Post deposit book provided.

Although use of Post Office branches is the preferred option, where you do not have access to a Post Office branch, you may request us to, and at our discretion we may agree to, provide you with an appropriate encoded bank deposit book for use at a relevant Commonwealth Bank of Australia (CBA), National Australia Bank Limited (NAB) or Australia and New Zealand Banking Group Limited (ANZ) branch.

There are no fees payable to Indue Bank@Post for this service, although you will be subject to Indue's applicable anti-money laundering processes.

We are only responsible for the funds lodgement when it has been received by us and we recommend that you check your account statement after lodging funds through the Post Office, CBA, NAB or ANZ branch to confirm that we have received and processed your funds.

13.5.5 Over the Counter at one of our State Offices

When you visit us at one of our State Offices you will complete our Funds Lodgement Form or provide us with clear instructions about details of the account into which the funds are to be applied. We do not provide a receipt when the lodgement has been made at one of our State Offices unless requested. The first document you will receive from us acknowledging your investment will be the next statement we issue to you after lodgement.

13.6 TYPES OF FUND LODGEMENT AND THEIR AVAILABILITY TO YOU

There are five ways to invest money with us:

- Cash,
- cheque – Australian Cheques,
- cheque – Overseas Cheques,
- electronic funds (credit) transfer, and
- electronic funds (debit) transfer.

13.6.1 Cash

When you lodge cash to your account with us at one of our State Offices or by separate deposit of cash through one of our bankers, those funds are available for withdrawal immediately after we have processed that investment, and applied our relevant anti-money laundering procedures and satisfied our attendant obligations.

13.6.2 Cheque - Australian Cheques

Proceeds of funds invested by way of cheque, other instrument, or Direct Debit are not available until cleared.

13.6.3 Cheque - Overseas Cheques

Proceeds of funds invested by way of overseas cheque are not available until cleared, and are subject to the following:

- we consult our bank whether they will accept the cheque and provide a currency conversion or require the cheque be processed through the international banking system before currency conversion.
- if our bank accepts the cheque when presented by us, they will convert the cheque to Australian currency. We then pay that amount of Australian currency to your account however the funds are held subject to clearance of the cheque. If the cheque is dishonoured and there has been a variation in the currency conversion rate, you will be liable for any loss incurred by us and our bank due to that variation.
- if our bank does not accept the cheque when presented by us, they will have the cheque processed through the international banking system. When the cheque has been cleared, our bank will receive the value on the cheque, convert that value to Australian currency and we then credit your account with the amount in Australian currency.

The minimum clearance times for overseas cheques are:

- where the cheque is accepted by our bank, 28 days,
- where the cheque is not accepted by our bank, the time varies depending upon a number of factors, including the country of the bank the cheque is drawn on.

Refer to Part 2 – Account and Service Fees for the fees applicable to this service.

13.6.4 Electronic Funds (credit) Transfer

You may invest money into your account with us by electronic means, for example through an external financial institution's internet banking system, receipt of pension, salaries, etc.

Where you have carried out an electronic funds transfer into your account, the funds from that transfer are available for withdrawal as soon as the transaction has been completed through the electronic banking system.

As we do not have control over other financial institutions, we are not able to advise you of the time it will take to complete the electronic transfer.

We recommend that you check your account after the electronic transfer to confirm the completion of the transaction and the availability of the funds from that electronic transfer for any other purpose you may have.

Electronic Funds Transfers may be made direct into a BFS account (excluding Funeral Investment Account or Term Investments) using BFS's electronic BSB 704 922 and your 9-digit BFS account number.

13.6.5 Electronic Funds (debit) Transfer

You may invest money into your account with us by debiting a pre-nominated account with an External Financial Institution either by BFSOnline or by a Direct Debit agreement.

Where you have carried out a Debit transfer into your account the clearance time is normally three (3) Business days after the date of processing by BFS.

13.7 MAKING WITHDRAWALS

There are two main ways to withdraw funds from your investment:

- by BFS corporate cheque or by bank cheque made payable to you; or
- electronic transfer to an account you hold with an Australian ADI.

For further details about methods to withdraw funds from your investment please refer to our Non-Cash Payment Products PDS.

13.9 SPECIAL CIRCUMSTANCES – DEATH OR FAMILY LAW SETTLEMENT

In the event of a death or family law settlement, accounts need to be closed and money in those accounts transferred to new accounts. You will need to:

- Notify us in writing and provide us with appropriate documents ie, Death Certificate, Grant of Probate, Family Law Agreement or Orders, to confirm your position to deal with an account; and

In the event of the death of a client investor, BFS will repay the investment with accrued interest to the legal personal representative of the investment holder, subject to completion of legal formalities to the satisfaction of BFS and/or BFS's legal advisers.

In the case of a jointly held account, the investment with accrued interest will be transferred to the remaining joint investor/s.

There is no Early Redemption Fee or Early Redemption Interest Adjustment in the event of death of an investor or a Family Law Settlement.

13.10 INTEREST CALCULATION, CREDITING AND PAYMENT

Interest calculation for all debenture products is calculated daily, i.e. based upon the actual number of days in the interest period in respect of which payment is being made, divided by 365.

Except for Term Investments, interest for all debenture products is credited at the end of each calendar month or upon account closure.

For Term Investments, interest is credited at the end of the period nominated in the Application Form or at end of the investment i.e., calendar month, quarterly, semi-annually, annually or at maturity.

The investor must specify in the Application Form whether the interest is paid into an account you hold with an Australian ADI or is added to account balance (except for Funeral Investment Accounts). If the Application Form is silent on this matter interest will be added to the balance.

If the due date for the payment of interest is not a Business Day, the payment will be made on the next Business Day immediately following the due date for payment.

13.11 CHANGES

13.11.1 Changes to these Terms and Conditions

We reserve the right to vary our accounts and account products. We will provide you with reasonable notice if changes are to be made, and direct you to a revised Product Information Statement – Offer Document which will be made available via the BFS website www.bfs.org.au.

You can change your account details and instructions with us. If you have a change in any of your details, i.e., change of address, change of name, removal of authorised signatories etc., then you need to notify us immediately the change occurs.

- The relevant deed poll and evidence of its registration,
- Change of Registration of an incorporated entity or Registered Business name, or
- In respect of a trustee, any relevant document appointing a new trustee, terminating an existing trustee or terminating or winding up the trust or changing the trust's name.

If we become aware of any changes to your Account details, we can take reasonable steps to amend our records without notice to you.

We and you can exercise respective rights at any time as permitted by law. If either we or you delay in exercising our respective rights, this does not mean that either we or you waive those rights.

If you do not tell us your changes, we will continue to handle your accounts with us based on the details and instructions that we hold and:

- we will send all our mail to you, including statements, notices, brochures to the last known name and address in our records. However, if mail is returned, we will hold the statements at our Sydney office.
- we will allow your accounts to be operated by those persons who are on our records as Authorised Signatories.
- we will comply with all payment service instructions (including periodic payments, direct debits and direct transfers) we have from you, to the extent permitted at law.

We are unable to change any of your details or instructions without you first notifying us of the changes. It is very important to notify us immediately of changes in your details and instructions. With respect to changes to Authorised Signatories, we refer you to the terms and conditions on Authorised Signatories at the beginning of the general terms applicable to our debenture products.

BFS may engage the services of third parties to assist in the administration of your accounts.

13.12 FUNDS TRANSFERRED IN ERROR

Where funds have been transferred to your account by someone else by mistake, you agree that:

- If you detect an error or believe a transaction was not authorised by you or that an amount has been credited to your Account that you may not be entitled to, to notify us as soon as you become aware of the transaction; and
- We may in our sole and absolute discretion disclose to the payer, the name and number of your Account where your Account has been incorrectly credited. You consent to us providing this information to the payer; and
- In the event of a dispute we may pay the funds to a court pending resolution of the dispute; and
- We may in our absolute discretion on forming a reasonable opinion that your account has been incorrectly credited, freeze that amount in your account, or deduct the amount of those monies from your account.

We are not responsible for any loss you may suffer due to errors, inaccuracies, or omissions in relation to authorised, but mistaken instructions given to us for the operation of your account.

We will comply with the requirements of any law, code or scheme applying to any dispute with your account or BFS debenture products you hold.

13.13 CLOSING ACCOUNT

We can close your account immediately without telling you first if:

- You breach these terms and conditions, and that breach is of a serious nature,
- We are required to by law,
- You have given us false or misleading information, or
- You act in a manner that in our reasonable opinion threatens the security of our staff, property or any other person.

- Follow our rules for closing accounts,
- Complete any forms or indemnities we reasonably require (as is appropriate),
- Repay any reasonable cost we have incurred in closing your account, and
- Meet any responsibilities you had under these terms and conditions and particular conditions before your account was closed.

When your account is closed, any credit balance and any accrued interest will be paid to you. If there are any outstanding fees, charges or other amounts owing to us, we will, to the extent permissible by law, deduct these first.

13.14 EARLY REDEMPTION

Notwithstanding the contract between BFS and the investor for payment of a fixed interest rate on funds lodged for a fixed term, a request for Early Redemption of a debenture product may be made to BFS. BFS may approve an Early Redemption request for a valid reason at its sole discretion. However, except in hardship cases, 31 days' notice must be provided. The BFS [Early Redemption Policy](#) is available from the BFS website www.bfs.org.au.

If, in its sole discretion, BFS allows an early redemption, withdrawn funds may receive the interest rate that applies to the BFS Notice of Withdrawal Account since lodgement or subsequent renewal, whichever is the later, on the amount being redeemed. The difference between the interest payable on the relevant product and the interest paid when an Early Redemption request is approved is the Early Redemption Interest Adjustment.

An Early Redemption Fee may apply to each early redemption allowed by BFS and is listed in the account and Service Fees detailed in Part 2 of this PISOD.

Where an over-payment of interest has occurred to the investor in a case of early withdrawal, the difference will be deducted from the amount withdrawn.

The early redemption interest rate variations and the Early Redemption Fee are subject to change at any time, with notification of any changes through a revised Product Information Statement – Offer Document being made available via the BFS website www.bfs.org.au.

No Early Redemption Fee or adjustment of interest will apply in the event of a request made for early redemption following the death of an investor.

BFS will repay a term investment by electronic or other transfer no later than the date of maturity; or, if the date of maturity is not a Business Day, then the next Business Day following the date of maturity; or the next Business day following approval by BFS of a request if withdrawal is made prior to the maturity date.

The payment of interest and/or the repayment of all or part of a debenture product is only available by:

- Electronic transfer to an account you hold with an Australian ADI; or
- By cheque made payable to the account holder.

13.15 WINDING UP

Notwithstanding the contract between BFS and the investor for payment of a fixed interest rate on funds lodged for a fixed term, issued debentures are repayable on the winding up of BFS.

13.16 MINIMUM INVESTMENT AMOUNT

There is no minimum investment amount for all debenture products.

13.17 ACCOUNT AND SERVICE FEES

Fees applicable to all debenture products are set out in the Account and Service Fees Schedule. For full details of fees refer to Part 2.

13.18 OTHER

These terms and conditions will be governed and interpreted by and in accordance with the laws of New South Wales.

You agree to the jurisdiction of the courts of New South Wales to determine any dispute arising out of these terms and conditions.

Unless otherwise provided in the terms and conditions for the particular debenture product, and to the extent permitted by law, we are not liable for any loss or damage you suffer as a result of using our non-cash payment facilities or any delay, omission or failure in respect of any transfer (including but not limited to technical/ system failure or third party failure).

You will indemnify and keep us indemnified fully in respect of any claims, actions, losses, damages or expenses howsoever arising and by whomsoever caused, made against or incurred by us in respect of any matters resulting from your investment in our debenture products.

The invested funds are lodged for a fixed term from 31 days to 36 months, or such other terms that may be offered by us from time to time, as nominated by the investor, commencing from the date of investment.

Invested funds are not available for withdrawal during the period of the fixed term.

Clients will be paid interest on investments lodged for less than one year on maturity or such frequency that may be offered by us from time to time. For terms of one year or more, clients can elect to be paid interest monthly, quarterly, semi-annually, annually or on maturity or such frequency that may be offered by us from time to time.

Interest is calculated from the date of lodgement until maturity at the rate applicable at the date of investment of the principal or from the date of any subsequent renewal of the term investment.

The investor must nominate in the Application Form whether the interest is to be paid into an account they hold with an Australian ADI or is added to the Term Investment balance. Once nominated, this decision is irrevocable. In the absence of investor instructions or nomination, interest will be added to the balance.

The rate of interest applicable to new Term Investments may be varied by BFS from time to time without notice. A notice will be sent to the investor prior to maturity of the term.

At the completion of the fixed term, if notice of reinvestment or withdrawal has not been received by BFS from the investor the investment will be automatically renewed for the same term with the interest arrangements at the rate of interest applying on the date of renewal.

Should the investor wish to add to their Term Investment at maturity the reinvestment notice may be returned with an additional amount to be invested or instructions to add funds from another account for lodgement on the nominated fixed term with the maturing investment, such instructions or request to be received by BFS no later than 10 calendar days immediately following the maturity date. Any additional funds will receive interest from the date of renewal or the date of receipt of the additional funds, whichever is the later.

Reinvestment is not available if, at the time the fixed term expires, BFS is not offering a term investment for that term. BFS undertakes to notify you of terms available when the reinvestment notice is sent to you.

No additional investments can be made to a Term Investment account during the fixed term of the investment except where the investor has elected to credit interest due on the Term Investment to the same Term Investment account.

If the application form is silent on this matter interest will be added to the existing Development Fund account balance.
